Exclusions from Warranty Coverage

PURACOMPOSITE does not warrant against and is not responsible for, and no implied warranty shall be deemed to cover, any condition attributable to: (1) Improper installation of PURACOMPOSITE products and/or failure to abide by PURACOMPOSITE's installation guidelines, including but not limited to improper gapping; (2) use of PURACOMPOSITE products beyond normal use and service conditions, or in an application not recommended by PURACOMPOSITE's guidelines and local building codes; (3) Movement, distortion, collapse or settling of the ground or the supporting structure on which PURACOMPOSITE products are installed; (4) any act of God (such as flooding, hurricane, earthquake, thunder and lightning, etc), environmental condition (such as air pollution, mould, mildew, etc.), staining from activity substances (such as dirt, grease, oil, etc) but without in-time cleaning and maintenance or normal weathering (defined as exposure to sunlight, weather and atmosphere which will cause any coloured surface to gradually fade, chalk or accumulate dirt or stains); (5) slight colour variations between products due to variability in the components used to manufacture products or normal weathering; (6) Improper handling, storage, abuse or neglect of PURACOMPOSITE products by Purchaser; (7) Decay caused by fasteners; (8) Ordinary wear and tear.

Moreover, it is expected that darker, solid colours typically show scratches and dirt more easily and, therefore, require more maintenance than light colours. Similarly, very light colours soil easily and must

be cleaned often. All colours require basic cleaning and care for optimal performance. This is not a defect and is specifically excluded from this warranty.

It is expected that darker, solid colours have a higher surface temperature when exposed to sunlight and lighter colours a cooler temperature. This is not a defect and is specifically excluded from this warranty.

This warranty may not be altered or amended except in a written instrument signed by PURACOMPOSITE and Purchaser. No person or entity is authorized by PURACOMPOSITE to make and PURACOMPOSITE shall not be bound by any statement or representation as to the quality or performance of PURACOMPOSITE products other than contained in this warranty.
